AFFIDAVIT IN SUPPORT OF SEARCH WARRANT

I, KAREN O'NEILL, HAVING BEEN DULY SWEORN, DEPOSE AND STATE: I am a United States Postal Inspector, having been so employed since March 2003. I am presently assigned to the Cincinnati Field Office, Pittsburgh Division of the Postal Inspection Service with investigative responsibility for Southwest Ohio, Northern Kentucky, and Southeast Indiana. Part of my investigative responsibility involves the use of the United States Mail in the transporting of narcotics and other dangerous controlled substances and financial proceeds relating thereto.

Your affiant has become aware that drug traffickers frequently use Express Mail, a business-oriented overnight service offered by the United States Postal Service, to transport narcotics and other dangerous controlled substances, and their proceeds or instrumentalities from the sale of the controlled substances. Your affiant has also become aware that drug traffickers frequently use Priority Mail with delivery confirmation, a 2-3 day service offered by the United States Postal Service. As a result of investigations and successful controlled substance prosecutions where the Mail was used, your affiant has learned of certain characteristics indicative of other Mail items previously identified as containing narcotics or other dangerous controlled substances, their proceeds or instrumentalities from the sale of the controlled substances. Some of these characteristics include, but are not necessarily limited to or used on every occasion, the mailer using different post offices on the same day to send parcels, false or non-existent return address, addressee is not known to receive mail at the listed delivery address, the package is heavily taped, the package is mailed from a known drug source location, labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanating from the package, and the listed address is located in an area of known or suspected drug activity.

In August 2013, your affiant began an investigation involving the use of the mail to ship narcotics between northern Kentucky and the Texas border and northern California; known drug source locations.

Since the investigation began, your affiant has obtained 4 federal search warrants for parcels addressed to 194 Villa Dr, Walton, KY 41094 and 6814 Sebree Dr Apt 16, Florence, KY 41042. Each of those parcels was found to contain a substance that field tested positive for marijuana.

On January 13, 2014, your affiant was contacted by the postmaster at the Walton Post Office regarding large parcels that have been delivered to 194 Villa Dr and 265 Deer Trace Dr with return addresses from Brownsville, Texas. She stated that she thought they were similar to prior parcels that your affiant had contacted her about before.

On January 13, 2014, your affiant learned that at least 7 parcels weighing between 9 and 23 pounds had been delivered to multiple addresses in northern Kentucky coming from the Texas border.

On January 14, 2014, your affiant was contacted by the postmaster at the Walton Post Office regarding Parcel Select parcel postal tracking number 9461 2118 9956 0724 3528 00 addressed to Roberto Perez, 194 Villa Dr, Walton, KY 41094-9333 with a return address of Jose Perez, 106 South Dr, Brownsville, TX 78520. Your affiant requested the parcel be placed in a secure area for further investigation.

Your affiant knows that the return address 106 South Dr, Brownsville, TX 78520 is not an address recognized by the postal service for mail delivery.

On January 14, 2014, your affiant obtained the parcel from the Walton Post Office.

On January 14, 2014, the Cincinnati Police Department Narcotics Unit was contacted to arrange for a narcotic canine to check the parcel. Officer Phil Stoup responded to the Cincinnati Postal Inspection Service office, Cincinnati, Ohio where the parcel was placed in a controlled area and presented to narcotic

canine, "Max". "Max" alerted positively to the presence or odor of a controlled substance or their proceeds or instrumentalities upon Parcel Select parcel postal tracking number 9461 2118 9956 0724 3528 00 addressed to Roberto Perez, 194 Villa Dr, Walton, KY 41094-9333. Attached herewith, and made part hereof by reference, is a photocopy of the narcotic canine handler's record of examination.

On January 14, 2014, your affiant was contacted by Postal Inspectors in McAllen, Texas regarding Priority Mail parcel postal tracking number 9405 5118 9956 0764 1604 39 addressed to Sergio Mendez, 6814 Sebree Dr Apt 16, Florence, KY 41042-2038 with a return address of Dolores Padierna, 1900 University Dr, Brownsville, TX 78520 and Parcel Select parcel postal tracking number 9461 2118 9956 0764 5188 46 addressed to Juan Pacheco, 265 Deer Trace Dr, Walton, KY 41094-8402 with a return address of Ana L. Pacheco, 1120 Calle Galaxia, Brownsville, TX 78520. According to McAllen Inspectors, the return address information could not be found.

Your affiant requested the parcels be sent to her location for further investigation.

On January 15, 2014, the aforementioned parcels arrived in Cincinnati, Ohio and were obtained by Postal Inspectors.

On January 22, 2014, the Cincinnati Police Department Narcotics Unit was contacted to arrange for a narcotic canine to check the parcels. Officer Sean Woods responded to the Cincinnati Postal Inspection Service office, Cincinnati, Ohio where the parcels were placed in a separate controlled area and presented to narcotic canine, "Dozer". "Dozer" alerted positively to the presence or odor of a controlled substance or their proceeds or instrumentalities upon Priority Mail parcel postal tracking number 9405 5118 9956 0764 1604 39 addressed to Sergio Mendez, 6814 Sebree Dr Apt 16, Florence, KY 41042-2038 and Parcel Select parcel postal tracking number 9461 2118 9956 0764 5188 46 addressed to Juan Pacheco, 265 Deer Trace Dr, Walton, KY 41094-8402.
